Ennis Girls Softball Association  
c/o Liz Menton  
2706 Troon  
Ennis, TX 75119

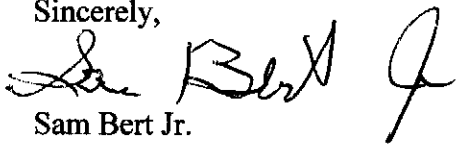

Liz,

During my audit for the year January 1, 2007 to December 31, 2007, I certified the following:

1. That records I received were kept according to "generally accepted accounting principles."
2. All checks written during the year 2007 were verified by the bank statements and found to be correct.
3. All deposits during the year 2007 were found to be correct as indicated in the statements.
4. All stop payments and voided checks were verified for the year 2007 and were correct.
5. The bank statements for the year 2007 were checked for accuracy and have been verified as correct.
6. The general status of records were in good order and all of necessary documentation was readily available.

In summation, and as an independent third party, I approve of the record-keeping for the Girls Softball Association and that all matters relating to the general status of the whole situation to be in good and proper order with no improvement needed.

Sincerely,

Sam Bert Jr.  
Accountant
